

ADVISING

Jennifer L. Robinette

I now have seven advisees. Two of my advisees are still listed under Jenni R. Canterbury as of Spring 2012. I work with Wes McKinney on a regular basis. I met with several new advisees who had recently declared Communication Arts as their major in the Fall of 2011 to help them work out their schedules including Cole Cloonan, Paige Garrett, Tyler Meadows, and Dalton Paul. Makayla Zutaut was in my UNIV 100 class in the Fall. She changed her major then changed it back to Communication Arts at the end of the semester. One of my advisees from the Fall—Justin Gray—successfully transferred to Marshall University this Spring.
